

LOYALTY PROGRAM

2026-27 FALL/WINTER SEASON

**Secure your spot for the 2026-2027
Fall/Winter season without going through
the tryout process!**

OSA LOYALTY PROGRAM

The OSA Loyalty Program allows current players to secure their spot for the 2026–2027 Fall/Winter season without going through the tryout process.

By registering for the Loyalty Program, athletes are guaranteed placement on an OSA Elite/Select team. Current players who do not register for the Loyalty Program, but wish to return for the 2026–2027 Fall/Winter season will be required to go through the tryout process in the spring, with no guarantee of available spots. Loyalty Program participants will instead attend Evaluation Camps in June and July (details on Page 4).

HERE TO HELP BUILD, SUPPORT, AND PROVIDE OPPORTUNITIES!

At OSA, our mission is to help athletes elevate their game to the next level by equipping them with the tools needed to build confidence, perform at their best, and reach their full potential. This fall and winter, our coaches and directors are committed to providing unwavering support every step of the way, ensuring your son or daughter thrives on and off the court. OSA teams play a competitive schedule of 35–45 games (depending on age group) tailored to their abilities. Players face both local and regional teams, gaining exposure to diverse styles of play.

ELITE VS. SELECT TEAMS: WHAT'S THE DIFFERENCE?

After tryouts, players are placed on Elite or Select teams, which will be posted on our website. The number of teams in each category varies by grade. Both Elite and Select teams receive the same training opportunities with our OSA professional staff during practices and skill sessions. The main difference is that **Elite teams travel more frequently than Select teams**, resulting in higher fees for Elite players.

OSA LOYALTY PRICING

Exclusive pricing is available for OSA Loyalty Program participants. Pricing is increased for athletes trying out for open spots. All teams receive support from an experienced and professional staff and play 35–45 games, depending on the age group. Additional details on page 3.

COMMUNICATION

All coach-parent communication will be handled through the *LeagueApps* app, available at LeagueApps.com. *LeagueApps* makes it easy to stay updated on practices, skills training, and tournament schedules. It's user-friendly and keeps all team information in one convenient place.

TOURNAMENT SCHEDULES

Teams will follow either an Elite or Select team schedule. Most grade levels will have multiple teams assigned to each schedule. Finalized schedules will be posted at OSAHoops.com and uploaded to the *LeagueApps* app. Schedules may change with notice to ensure appropriate competition.

PRACTICES & TRAINING

Teams will practice twice weekly during the fall and winter season, focusing on offensive and defensive concepts to build skills and confidence. Practices emphasize high-level skill development, mirroring the pace and intensity of upper-level high school or college practices. Training sessions are included in fees for all age groups except 3rd Grade Select.

NXTSTAT SPORTS LAB

All OSA athletes gain access to *NxtStat Sports Lab* as part of their fees. This sports science program provides valuable data about players' bodies, benchmarking them against their age group. Learn more about this cutting-edge program at NxtStat.com.

BASKETBALL TRAINING AT OSA

We offer elite training programs designed to maximize each athlete's potential, which is a cornerstone of our OSA programming. Through individual sessions and small group training, camps, and clinics, our experienced trainers provide high-level, intentional instruction. These additional development opportunities are not just an add-on, they are a critical component of our program, ensuring that every athlete continues to grow, build confidence, and reach their full potential on and off the court.
