## **WHAT IS THE LOYALTY PROGRAM?**

At this time of the season, we offer our current players the opportunity to reserve their spot in our program for the following season through the OSA Loyalty Program. By registering for the Loyalty Program, your athlete has the opportunity to bypass the fall/winter tryout process with guaranteed placement on one of our OSA Elite/Select teams for the 2024-2025 fall/winter season. Current players who do not register for the Loyalty Program but wish to return to our program for the fall/winter season WILL be required to go through the tryout process in March or April, and again, there are no guarantees there will be any spots available. Players who do participate in our Loyalty Program will not need to tryout in March or April, as our Evaluation Camps will take place at the end of June and the end of July. Dates for these camps are provided on Page 4 of this brochure and times are still TBD.

## **ELITE VS SELECT OSA TEAMS... WHAT IS THE DIFFERENCE?**

Once evaluations are completed after the final evaluation camp at the end of July, players will be divided into their respective teams, and those teams will be posted on our website August 5th. Please keep in mind, players WILL NOT automatically be placed on the same level of team as this current year, as players have developed differently over this past year. Those who take advantage of our summer training camp, workouts, and camp sessions over the summer months will surely experience significant improvement. Athletes will either be selected to an ELITE team or a SELECT team. The number of ELITE and SELECT teams will vary depending on their grade. Both ELITE and SELECT teams will be provided the same opportunities to work with our OSA Professional Staff during Evaluation Camps, Wednesday Skills Sessions, and during practices through the duration of the fall and winter months!

\*NOTE\* Players selected to an ELITE team will have an increased fee due to the extra amount of training and travel involved.

## **2024-2025 OSA SELECT LOYALTY PRICES**

\*Pricing includes the Evaluation Camps, Fall Wednesday Skills Sessions, Skill Training Sessions, Bi-Weekly Practices with the support of OSA Professional Staff, and Competition ranging from 35-45 games, depending on the age of the group. These prices are for LOYALTY PARTICIPANTS ONLY and will increase for athlete's trying out for open spots. These prices DO NOT INCLUDE the cost of a new OSA uniform/practice jersey. (Roughly \$150).
